The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of the claims is the art does not fairly suggest a stamper with a *NiP* surface on *Al*. In the previous Office action it was indicated that if this were independently claimed, such a claim would be considered allowable. All claims now include this limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The claims are 19 to 21, 25 and 26.

- All claims have been allowed.
